

Locum Tenens – Everything You Wanted to Know!

Wednesday, April 17 | 6:30 pm

[Army Navy Country Club \(ANCC\)](#)

1700 Army Navy Dr, Arlington, VA 22202

Exclusive ACMS presentation coordinated with LocumTenens.com

Over 90% of US healthcare facilities use locum tenens physicians every year to cover vacations, maternity leave, fill spots between full-time physicians, or keep full-time staff from burning out.

Doctors use locum tenens to diminish burnout, test drive a new job, for freedom and flexibility, money on the side, improve skills/expand network, career transition/retirement, experience diverse practice settings, and even travel the country...

JOIN US at our informational event touching on all aspects of locum tenens (job placement, pay & benefits, travel & housing, privileging & credentialing, malpractice coverage, etc.)

Heavy apps and wine/beer/non-alcoholic beverages provided.

All current ACMS members (active and retired) are welcome at no charge.

Non-ACMS physicians, resident physicians, and PAs/NPs/CRNAs, are also welcome at no charge.

All others: \$40 per person

SEATS ARE LIMITED – RSVP IS REQUIRED!

Please use the ticketing site below to RSVP:
